Celebrating the Coronation of a new monarch

The Coronation of His Majesty King Charles III and Her Majesty The Queen Consort will take place at Westminster Abbey on Saturday 6 May 2023.

This significant moment in our history heralds the ascension of a new monarch who will become the symbolic Head of the Commonwealth. No previous British monarch has inherited such a diverse, multicultural nation, nor devoted so much of their life to highlighting the long-term health of the planet.

Royal Mail's new stamps and collectibles celebrate the monarch's role today while reflecting the longstanding traditions and pageantry associated with the Coronation. Four stamps feature wood engravings depicting continuity, community, the Commonwealth and conservation. Among exceptional collectible keepsakes, you will discover framed artwork, and souvenirs including a new £5 coin struck by The Royal Mint.

We are proud to present a commemorative collection honouring a significant event in the life of our nation, the Commonwealth and beyond.

①
