Celebrating 100 years of Winnie the Pooh

One hundred years ago, A.A. Milne introduced readers to a "silly old bear" who would become one of the world's most beloved literary characters. Since the publication of Winnie the Pooh in 1926, generations have followed the adventures of Pooh and his friends in the Hundred Acre Wood.

This charming collection of Special Stamps and collectibles celebrates the centenary of Winnie the Pooh with six stamps featuring E.H. Shepard's timeless illustrations of Pooh, Piglet, Owl, Eeyore, Christopher Robin and Tigger.

The joyful Miniature Sheet brings together Pooh and friends for a celebratory picnic in the Hundred Acre Wood, while the Presentation Pack explores the fascinating origins of these treasured stories, the inspiration behind the characters and the creative partnership between A.A. Milne and E.H. Shepard.

Discover a delightful range of collectibles, including limited-edition coin covers, beautifully presented Prestige Stamp Books and exclusive framed souvenirs.

Whether you grew up with Pooh or are discovering his adventures for the first time, this special issue celebrates a century of friendship, imagination and timeless storytelling.
