## STRANGER THINGS

**Tuesday 13 January 2026**

The world of stamps  
just got Stranger

# Welcome to Hawkins

...where childhood adventures, late-night bike rides and friendships forged over fantasy role-playing games give way to something far darker lurking beneath the surface.

This thrilling stamp and collectibles range celebrates the genre-defying hit series that blends 1980s nostalgia, sci-fi chills, and heartfelt friendships into a global cult phenomenon.

Featuring artwork by British illustrator Kyle Lambert, each stamp captures iconic moments and beloved characters – from a telekinetic heroine's fierce loyalty to the gang's nerdy brilliance and bravery. Look closer under UV light, and iconic logos from the series appear.

The show's unforgettable cast includes legendary faces from the 80s alongside breakout British talent whose portrayals of fan-favourite characters helped define a generation of underdog heroes.

Dive deeper with a 24-page Prestige Stamp Book, limited-edition Medal Covers, framed prints, and signed artwork – all celebrating the show's enduring legacy.

Whether you're Team Scoops Ahoy or Hellfire Club, this is a must-have for fans who know that sometimes, being a nerd is the most powerful thing of all.
