ROYAL MAIL has issued Christmas stamps annually since 1966. This year's Christmas stamps – the 41st issue – go on sale at Post Office branches, Tallents House and Post Office philatelic outlets on 7 November. As for the past five years, they are printed on self-adhesive paper, the stamps have die-cut perforations and can be removed from sheets by rouletting which surrounds the 'perforations'. There will also be a miniature sheet containing the same stamps but in a conventional gummed format. They were designed by CDT Design using illustrations by Tatsuro Kiuchi featuring: 2nd class (standard & Large) snowman, 1st class (standard and Large) Father Christmas, 72p reindeer, and £1.19 Christmas tree. Four of the stamps will be the standard definitive size; the other two will be bigger and inscribed 'Large' for larger-size UK letters as part of the new 'Pricing in Proportion' letter pricing structure. The standard 1st and 2nd class stamps will cost 32p and 23p, the Large versions 44p and 37p. The year of issue (2006) is included on each stamp, reversed out of the phosphor bands.

MINIATURE SHEET For the third year, Christmas stamps will also be issued in a miniature sheet containing one of each stamp. The stamps are traditionally gummed, not self-adhesive.

FIRST DAY FACILITIES The FDC envelope, designed by Tatsuro Kiuchi, features a robin perched on the antlers of a deer, set in mountain scenery. Orders for serviced FDCs must reach Tallents House (address below) by the day of issue.

Collectors may send stamped covers on the day of issue to: Royal Mail, Tallents House, 21 South Gyle Crescent, Edinburgh EH12 9PB (for Tallents House postmark), or to one of Royal Mail's Special Handstamp Centres (Bethlehem postmark), marking the outer envelope 'FD0639' (Tallents House), or 'FD0640' (Bethlehem).
